

Order Codes and Pricing

Calibration (Service)

Service calibration includes replacement of units battery and any seals or desiccant packs (if present).

Temperature/Humidity Data Loggers:

CAL-9002	Service Calibration - Single channel data logger	50,00 €
CAL-9004	Service Calibration - Dual channel data logger	75,00 €
CAL-9006	Service Calibration - Four channel data logger	95,00 €
CAL-9001	Extra calibration points (each)	11,00 €

CO₂ Data Loggers:

CAL-9052	Service Calibration - CO ₂ data logger	170,00 €
----------	---	----------

Energy Logger:

CAL-9054	Service Calibration - Energy Logger	240,00 €
----------	-------------------------------------	----------

Current/Voltage Data Loggers:

CAL-9002	Service Calibration - Single Channel data logger	50,00 €
----------	--	---------

Prices exclude VAT. Return carriage charges apply, and vary on destination.

Calibration (Time of Purchase)

Temperature/Humidity Data Loggers:

CAL-9000	Calibration - Single channel data logger	40,00 €
CAL-9003	Calibration - Dual channel data logger	60,00 €
CAL-9005	Calibration - Four channel data logger	85,00 €
CAL-9001	Extra calibration points (each)	11,00 €

CO₂ Data Loggers:

CAL-9050	Calibration - CO ₂ data logger	160,00 €
----------	---	----------

Energy Logger:

CAL-9054	Calibration - Energy Logger	240,00 €
----------	-----------------------------	----------

Current/Voltage Data Loggers:

CAL-9000	Calibration - Single Channel data logger	40,00 €
----------	--	---------

Prices exclude VAT.
