

Order Codes and Pricing

Calibration (Service)

Service calibration includes replacement of units battery and any seals or desiccant packs (if present).

Temperature/Humidity Data Loggers:

CAL-9002	Service calibration at standard points (0 & 30°C 20 & 80 % RH at 25°C), 1 channel	54,00 €
CAL-9004	Service calibration at standard points (0 & 30°C 20 & 80 % RH at 25°C), 2 channels	78,00 €
CAL-9001	Extra calibration points (each)	18,00 €
CAL-8002	Service calibration at custom points, 1 channel	66,00 €
CAL-8004	Service calibration at custom points, 2 channels	90,00 €

CO₂ Data Loggers:

CAL-9052	Service Calibration - CO ₂ data logger	180,00 €
----------	---	----------

Energy Logger:

CAL-9054	Service Calibration - Energy Logger	240,00 €
----------	-------------------------------------	----------

Current/Voltage Data Loggers:

CAL-9002	Service Calibration - Single Channel data logger	50,00 €
----------	--	---------

Prices exclude VAT. Return carriage charges apply, and vary on destination.

Calibration (Time of Purchase)

Temperature/Humidity Data Loggers:

CAL-9000	Initial calibration at standard points (0 & 30°C 20 & 80 % RH at 25°C), 1 channel	42,00 €
CAL-9003	Initial calibration at standard points (0 & 30°C 20 & 80 % RH at 25°C), 2 channels	66,00 €
CAL-9001	Extra calibration points (each)	18,00 €
CAL-8000	Initial calibration at custom points, 1 channel	54,00 €
CAL-8003	Initial calibration at custom points, 2 channels	78,00 €

CO₂ Data Loggers:

CAL-9050	Calibration - CO ₂ data logger	168,00 €
----------	---	----------

Energy Logger:

CAL-9054	Calibration - Energy Logger	240,00 €
----------	-----------------------------	----------

Current/Voltage Data Loggers:

CAL-9000	Calibration - Single Channel data logger	42,00 €
----------	--	---------

Prices exclude VAT.
